Questionnaire for Eco-communities

We start by listening to you. Please fill out this questionnaire. And remember, there are no right or wrong answers, it's only what your community feels or thinks that is important.

Who Are You?

Name:

Organization:

Email:

Phone Number:

What kind of eco-community are you building?

(Choose all that apply)

- Retrofitting and transitioning an existing community
- Re-Inhabiting an old site that is no longer in use
- Building a new community from the ground up
- A new community is partially built
- An existing eco-community
- Other (please describe)

At what stage are you in your process?

(Choose all that apply)

- Thinking about it, entertaining ideas
- A site is in mind
- Planning is underway
- Engineering is underway
- Construction is taking place
- Construction is complete
- The community is inhabited

Check off which items pertain to your community plan:

(Choose all that apply)

- Conventional Buildings
- Eco-Buildings
- Subdivision
- Co-operative
- Retrofit of conventional buildings
- High use (residents live and work in the community)
- High pedestrian use

Check off which practices appeal to your community:

(Choose all that apply)

- Transition Towns (www.transitiontowns.org)
- Permaculture
- Biodynamics
- Spirituality
- Intentional Eco-Community (www.ic.org)
